## SUBJECTS IN MASTER STUDY

## MORE THAN JUST A DEGREE

- > Are you burning for research and want to dive deep into the subject while still a student? Then take advantage of the freedom our program offers you - whether in mentoring, in your choice of studies, or in thinking outside the box with events in the Elite Network of Bavaria.
- > Do you value good teaching and cutting-edge research? No problem: Our lecturers receive awards for their outstanding teaching. We have our finger on the pulse of research anyway.
- > You want to study at one of the most innovative universities in Germany and Europe? Then welcome to FAU! Our motto is: Moving knowledge. We are not the No. 1 innovation leader for nothing!
