Erlangen, den 25. April 2023

**Hans-Wilhelm and Helga Schüßler prize and
German Academic Exchange Service (DAAD) outstanding achievement prize for interna-
tional students 2023**

Dear ladies and gentlemen,

The Hans-Wilhelm and Helga Schüßler prize and the DAAD prize are both awarded in recognition of international students who have made a lasting impression whilst studying at FAU thanks to their outstanding academic achievements and commitment to social or intercultural projects.

We are very pleased that in 2023, DAAD and the Hans-Wilhelm and Helga Schüßler Foundation are calling again for applications for the prizes, worth 1,000 euros each.

I would greatly appreciate it if you could consider whether there are any international students you know who may qualify. Please send your nominations to Mr. Peter Forna (peter.forna@fau.de) by July 28th, 2023.

These prizes are aimed at students who are enrolled at FAU and who are either in the final stage of their degree programme or studying for a Master's degree. You can also nominate doctoral degree candidates or students who have recently completed their State Examination.

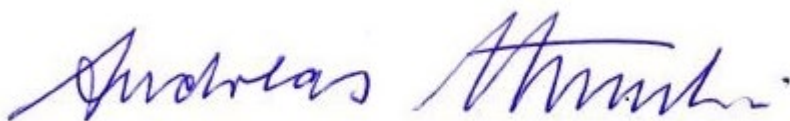

Please attach the following documents to your nomination:

- Letter of nomination from the professor making the nomination
- Student's CV
- Overview of course achievements
- A copy of the Bachelor's degree certificate, or a copy of the certificate obtained for completing an intermediate examination (Zwischenprüfungs-/Vordiplomzeugnis)
- Proof of voluntary work (if applicable)
- Copy of final degree certificate(s) (if applicable).

Kindly note that exchange students and international students who have attended secondary school in Germany (Bildungsinländer) are not eligible for nomination. The prizes are not meant as a recognition for outstanding research.

Prof. Dr. Joachim Hornegger will award the prizes during the FAU Awards ceremony held on October 24th, 2023.

Best regards,

A handwritten signature in blue ink, which appears to read "Andreas Hirsch".
